**Email is especially important for notices about upcoming meetings and special events.*

I am interested in volunteering for the Plant Sale, the club's biggest fundraiser of the year. *Volunteers are needed to help in the greenhouse beginning in January each year and at the sale, which is held on the last weekend in April.*

I am interested in volunteering for the Lilac Luncheon, the club's biggest social event of the year. *Volunteers are needed to create beautiful invitations and decor, secure donations for the silent auction and raffle, take photos, and more. The Luncheon is held early in May in conjunction with the Spokane Lilac Festival week of events.*

I am interested in volunteering to help with the club's administrative needs. *Volunteers are needed to attend events around town, to promote membership in AGC, to assist with accounting, social media, website updates, media relations, mailings and much more.*

Please enclose your check or money order with this form and mail it to:
